

Application

Submit Internship Application for candidacy to coordinator.

Job Search

Candidate must now search for an internship and be offered a position.

Department Approval

Department approves internship if all conditions are met.

Employment Begins

The candidate should not begin employment until registered for the course.

Meeting

Attend the Internship Interest meeting for details on the internship process.

Candidate Approval

The student is approved by the department as an internship candidate. This does not guarantee employment or credit.

Registration Form

Once job offer is obtained, submit Internship Registration form. Petition to substitute COSC 493 for COSC 473 may also be submitted.

Register

The student must register for the course COSC 493 or COSC 492.
